A Blessings Update:

His Blessings:

"Now to Him who is able to do above and beyond all that we ask or think according to the power that works in us, to Him be the glory in the church and in Christ Jesus to all generations, forever and ever, Amen.." ~ Ephesians 3:20-21

It's an amazing blessing story! God has lead us on an astounding journey over the last 3 years while He "made a way when there seemed to be no way."

Please join us in praising God for His clear direction as we discovered His appropriate, affordable plans for our new medical clinic, **Journey Clinic**.

In the next week or so, we'll be moved into our new location with expanded medical services to women in unexpected pregnancies. We're eager to see the way that God uses the new clinic to enable us to stay connected with women who became pregnant and are uncertain about their options.

Praises:

- For dozens of volunteers who donated hundreds of hours in the last couple of months to do almost all the clinic renovations without having to hire contractors.
- For 64 Table Hosts who are inviting guests to "Life is a Journey," our October 7th fundraising banquet through which God will provide the resources for His expanded medical outreach to women in unexpected pregnancies.
- For our talented patient services and video teams that are preparing to tell "Sarah's Story" in video form that will debut at the Banquet.
