A Blessings Update:

Unless the Lord **builds** the house, they labor in vain who **build** it. Proverbs 127:1

It's been so exciting to see how God has built his ministry at the PMC. Over and over God has made a way.

- While we diligently prayed and surveyed for the right name for the medical clinic, God was already firmly guiding us to the name "Journey Clinic."
- When we boldly asked everyone we could find for leads on an affordable medical location God was already preparing a medical clinic in Roy that far exceeded our expectations.
- When we needed increased monthly income to provide for new monthly rental costs, God called many new givers to make a monthly pledge at the Banquet for Life.

**"God's work, done in God's way,
to God's glory will never lack God's supply." -Hudson Taylor**

Praises:

- For 64 Hosts/Hostesses who welcomed 528 guests to be a part of, "Life is a Journey-Banquet for Life 2017."
- For our nurses Karen and Mindy. Our patients love having their medical info given as a part of the PMC's appointments.
- For our excellent patient video that premiered at the banquet.

Please Pray:

- For God to lead many more patients and their partners to visit Journey Clinic before the end of 2017.
- For God to provide wisdom in finding our two employees to join our team ASAP; An RN to serve as Nurse Manager and a person to coordinate our events.
- For Rachel, our events coordinator, who will be leaving at the end of October to be home full time with her kids.

Upcoming PMC Events

Administrative Volunteers: Several volunteers are needed with clerical and/or computer experience (Microsoft, database management, or graphic software) for a variety of projects.

Call Gwen at 801.612.9293 for more information.
