A Blessings Update:

Giving Thanks:

It's always a pleasure to hear updates from our previous patients! Last week Nicole got an encouraging communication from a patient we'd seen a couple of years ago thanking us for the significant difference her visit with us had made in her life.

Thank you Lord for the opportunity to be used by You to bring hope into the lives of so many women and men.

Praises:

- For our patient advocates: Amy, Melissa, Julie, Becky, Mary, Bonnie, & Nicole and for our nurses Karen and Mindy who meet with our patients and their partners.
- For God's Provision of a great location and excellent facility for our expanded medical services at Journey Clinic.

Please Pray:

- For God's focus and endurance for the staff & volunteers through the next two very busy months.
- For God to lead many more patients and their partners to visit Journey Clinic before the end of 2017.
- For God to provide wisdom in finding our two employees to join our team ASAP:

-An RN to serve as Nurse Manager

-An Events Coordinator

Upcoming PMC Events

Administrative Volunteers: Several volunteers are needed with clerical and/or computer experience (Microsoft, database management, or graphic software) for a variety of projects.
