

Rays of Hope

A Blessings Update

Now glory be to God, who by His mighty power at work within us is able to do far more than we would ever dare to ask or even dream of—infinately beyond our highest prayers, desires, thoughts, or hopes. ~ Ephesians 3:20 TLB

What a year 2017 has been! At this time last year God had yet to reveal any of these incredible blessings that He sent us:

- Our Medical Director, Dr. Durbin
- God "making a way when there seemed to be no way", to complete a lease and enable us to afford a marvelous location in a previous medical clinic that is perfect for our needs
- Our newest Administrative Coordinator- Gwen
- An INCREDIBLE team of volunteers who did hundreds of hours of renovations to the new building. God gave us extremely qualified help, only 1 of which we already knew when we started the process!
- Wonderful landlords who believe in our efforts

Throughout 2017, God has provided blessings beyond our wildest dreams and truly more than we can imagine!

In 2017 God privileged us to serve women by providing:

- For YOU, our faithful prayer warriors who continually lift up the needs of the PMC and our patients! God Bless You!
- For our two newest PMC employees; Allie- our new Events and Social Media Coordinator, and Kathy- our new Nurse Manager.

Prayers

- For God to lead many more patients and their partners to visit Journey Clinic soon and for His wisdom in our patient marketing.
- For God to stretch our time as we push to complete all that needs to be accomplished in January.
- For God to provide endurance and blessing as our two new employees, Allie and Kathy get started in their positions.

Please continue to pray with us for a woman who was planning to have an abortion - We have tried repeatedly but have not been able to talk with her after her ultrasound exam.
