

Rays of Hope

February | 2018

We wait for Yahweh;
He is our help and shield.
For our hearts rejoice in Him
Because we trust in His holy name.
May your faithful love rest on us,
Yahweh, for we put our hope in you.
Psalm 33:20-22

The Long Awaited, Amazing Day!

That Tuesday was the day that the tech was coming to calibrate the new ultrasound machine. We were about to do our first ultrasounds at the PMC!

Unfortunately, we were missing an important probe that hadn't arrived in time. Despite the issues, we knew we could trust God's plans and worked hard to continue to trust Him, regardless of missing equipment. So, we used the probe we did have and started an exam for a young woman.

Miraculously, even with the less sensitive probe, we were able to get a great picture of the **very young baby's heart beating**. We were amazed at the clarity of the picture, even with the less effective probe.

As Kathy, (our nurse manager), showed the patient that picture, that young mom began to cry with the realization of her pregnancy. God used Kathy & the team to gently calm this young woman as God graciously planted hope in her heart. How exciting to see God's work in her life as we came alongside her with support and encouragement. Kathy is loving her new role and remarked about how rewarding that day was!

Prayer Requests

- ♥ For the continued ultrasound training at the end of March:
 - ♥ For help to spread the word and be able to have 55 volunteers who are in their pregnancy come in for an ultrasound exam. (If you know someone who might volunteer, call us.)
 - ♥ For Kathy, Dr. Durbin and Jamie, (the trainer), as they complete many more days of "hands on" training.
 - ♥ For a volunteer physician to read our ultrasound scans
- ♥ For our Nurse Manager Kathy, and for our Event and Social Media Coordinator, Allison, as they do lengthy training to learn their new roles.
- ♥ For God to be working in the hearts of walkers and sponsors to participate in Steps for Life coming up May 12th.

May God Fill Your Heart with His HOPE!

Tammy, Nicole, Gwen, Allie & Kathy

Praises

- ♥ For our new building and how well it works for our expanded advocacy & medical services.
- ♥ For God's continued direction and wisdom as the last pieces of our medical services come together.
- ♥ For many supporters who blessed the PMC generous with year-end gifts.
