Why We Continue to Do This...

Let your speech always be gracious, seasoned with salt, so that you may know how you ought to answer each person.

Colossians 4:6

As we “begin anew” in 2019, we’ll continue to focus on **why** we do what we do.

The core value and message of the PMC is that God loves people.

By sacrificing His Son, God paid the ultimate price to make a way to reclaim each of us.

This year, we will continue to speak God’s truth that pre-born life is precious. As God leads us, we will respectfully and gently plant the seeds of His offer of reconciliation in our patients’ lives (Colossians 4:5-6). After those seeds of Hope and Salvation are planted, God will watch over the watering and reaping as we continue to give Him the glory!

Coming January 20-27, 2019 - We are Celebrating Life!

Look for materials as over 60 churches in Davis, Weber & Morgan Counties join us in celebrating Sanctity of Human Life Week.

May God Fill Your Heart with His HOPE,
Nicole, Gwen, Kathy, Allison, & Tammy

Praises:

- For the opportunity to serve 21% more women and their partners/families in 2018 compared to 2017.
- For God allowing us the opportunity to have 89 spiritual conversations with patients and to share the Gospel 11 times in 2018.
- For YOU, and your faithful prayers that fuel God's PMC ministry.

Prayers:

- For another doctor to join us who will read ultrasound exams, and for several more clinic nurses. Both of these factors are limiting the number of patients we are able to serve at Journey Clinic.
- For God to provide additional financial support to fully cover our increased medical costs. We ended 2018 short of the full amount to cover our costs.
- For God to continue to work powerfully in the lives of the patients we saw in 2018, especially those who chose to have an abortion.
- For additional administrative volunteers, please call Gwen at 801.820.5157.
