The Dad's Role is So Important

In this month of celebrating Dad's, it's very encouraging to us to see how man partners come to the appointment along with our patients. Their influence and support is a very important factor in a patient's decision about an unexpected pregnancy. It is so amazing to see how God connects a man's heart with his unborn child, often when he sees an ultrasound picture of his baby. Please pray for courage for these men as they choose to step up to the role of being a Dad.

Praises:

- **For our newest advocate, Laurel, who has finished her training & has begun seeing patients & their partners.**

Steps for Life:

- **For God giving us a beautiful SUNNY day for our 32nd Steps for Life.**
- **For our prayer partners, 62 churches, 65 ambassadors, 152 walkers and 40+ volunteers who helped spread the word about "A Shelter in the Storm" to help gather in funds to reach women in unexpected pregnancies.**

**And great news on the result!
We met our goal and currently raised \$56,078!**

Prayers:

- **For encouragement and a healthy pregnancy for each of our patients.**
- **For our newest nurses and other volunteers as they complete their training.**
- **For wisdom as we seek God's vision & plans for the PMC for the next months.**
