

Rays of Hope

Praises and Prayers – November 2019

The PMC
(Pregnancy Medical Clinic) is a life-affirming outreach to women in unexpected or unexpectedly difficult pregnancies.

Through the PMC's patient location called **Journey Clinic**, we provide early pregnancy services for women including:

- Pregnancy testing
- Options education
- Nurse consultations
- On-site Limited OB Ultrasound
- Referrals for pre-natal care and other practical assistance
(We don't refer for or suggest abortion)

ALL OF OUR SERVICES ARE FREE TO OUR PATIENTS

I thank God every time I remember you.

Philippians 1:3 ERV

It is such a privilege serving God in the PMC ministry and getting to see first-hand all the amazing ways God works here.

- In Journey Clinic we see over and over how God flows His power, love and words through us and sends His gift of Hope to overcome the despair in our patients' lives.
- Each time we send out a "Prayer Blast" God prompts many of you to stop and lift that specific request up to Him. (text "ROH Please" to 801-458-9293 to receive them by text)
- At the PMC Banquet we saw Him bring more new guests than ever and provide abundant resources for His work here in 2020.

We know with certainty that faithful, fervent prayers are what propels His ministry here and we are so grateful for **your sacrificial gift of your time and energy in prayer.**

May God richly bless you as you continue to serve Him as a Prayer Warrior on behalf of the PMC.
Happy Thanksgiving Friend!

Praises:

- For the opportunity to serve a patient who couldn't get help in her hometown and drove many miles to see us. God's Love broke through and she's now excited about being a mom.
- For God's **amazing provision** through our **Be a Shelter** Banquet. Many people became acquainted with and caught the vision of the PMC Ministry. Eighty-four donors gave for the first time, and we received 65 NEW monthly pledges.
- For our wonderful location and building that have helped us serve many more patients. For the provision to make additional building improvements that will help with privacy, security and functionality.

Prayers:

- For God's wisdom as we solidify PMC budgets and plans for our 2020 ministry.
- **For God to send us 3-4 more nurses to volunteer SOON to help better meet our increasing patient load. (Our Clinic Nurses work 3-4 hours 1X per week)**
- For God's direction as we consider plans related to our current building.

Joyfully Serving Him,
Nicole, Kathy, Gwen, Allison & Tammy
