

**The PMC**  
(Pregnancy Medical Clinic) is a life-affirming outreach to women in unexpected or unexpectedly difficult pregnancies.

Through the PMC's patient location, **Journey Clinic**, we provide early pregnancy services for women including:

- Pregnancy testing
- Options education
- Nurse consultations
- On-site Limited OB Ultrasound
- Referrals for prenatal care and other practical assistance

(We don't refer for or suggest abortion)

**ALL OF OUR SERVICES ARE FREE TO PATIENTS**

## Kindness is giving hope to those who think they are all alone in the world

**Yes, we're still at it!** Despite this year's challenges, the PMC's (Pregnancy Medical Clinic's) mission **remains unchanged**. God has called us to a unique mission field. We serve and support women who are finding out they are pregnant. With many patients, that pregnancy is unexpected, and they are uncertain about what they will do.

At the PMC's Journey Clinic, we care for each woman's emotional, medical, social, and spiritual needs. Through the advocates and nurses at Journey Clinic, God plants the seed of hope in each patient's life, and often, **HOPE overcomes the helplessness of despair!**

This year God has made a way through each of the challenges that have arisen. When the Governor gave the "Stay Home, Stay Safe" order in March, we were quickly open again having changed over to **online** patient paperwork and **virtual** consultations with our advocates. We've continued to offer pregnancy tests and ultrasounds exams with full precautions, and we're now back to doing face-to-face appointments. **In these unusual times, your help is critical because women are more overwhelmed than ever in the situation of an unplanned pregnancy.**

*Still Serving Him,  
Tammy Leake*

### Praises:

- For the opportunity to meet with patients face-to-face (with masks ☺)
- For 691 people who registered to view the VIRTUAL Banquet for Life
- For our EXTREMELY talented production team of employees and volunteers that put the program together

### Prayers:

- For our ultrasound nurse, Melinda, as she travels to San Diego the week of November 9th to finish her hands-on training. Pray that the center will have as many patients to scan as are needed for Melinda's certification
  - For gifts to come in to reach our banquet goals for:
    - 390 1 time gifts
    - 25 new monthly pledge partners
- We've still have a way to go to reach those goals
- For times of REST and REFRESHMENT for our PMC team. Everyone's been putting in 110% over the last few months to keep us running

**With your prayer support, we'll keep  
doing all we can for as long as we can.**

**Thank you,** your prayers are the solid foundation on which God's PMC ministry is built. As we make a difference in the lives of more and more women, the spiritual battle gets ever more heated and your prayer support becomes progressively more vital. Thank you for lifting us up day after day as we share God's love with women, partners, and families.

**Would you rather not receive Rays of Hope by mail?**

We can send this by text or e-mail instead OR we are glad to stop sending it.

Just call **801-820-5157** to leave a message or e-mail [ac@pregnancymedicalclinic.org](mailto:ac@pregnancymedicalclinic.org)  
(please give your name, instructions, and your text or e-mail address)

**Regardless of all this, our  
mission is unchanged**
