## Praises and Prayers - September 2020

**The PMC**  
(Pregnancy Medical Clinic) is a life-affirming outreach to women in unexpected or unexpectedly difficult pregnancies.

Through the PMC's patient location, **Journey Clinic**, we provide early pregnancy services for women including:

- Pregnancy testing
- Options education
- Nurse consultations
- On-site Limited OB Ultrasound
- Referrals for prenatal care and other practical assistance

(We don't refer for or suggest abortion)

**ALL OF OUR  
SERVICES ARE  
FREE  
TO PATIENTS**

**I'd like to personally invite you to join me...**

Let me to be the first to invite you to join me for our **Banquet for Life** program **Saturday October 3rd, 7:00 - 7:35 PM.**

This year we have an incredible new opportunity through a **VIRTUAL** Banquet to do **two important things at once!** Instead of gathering our guests for our annual program at the conference center, we'll be bringing the program to each guest's living room on YouTube.

**The first thing** we will do is to bless everyone who might have attended in-person banquet with the encouraging, uplifting program. Several people will share their own stories of how God planted a seed of HOPE in their difficult times. As God leads, PMC partners will give financial resources for His 2021 PMC outreach to women who are uncertain about their pregnancies.

**A second thing** we are able to do this year is to efficiently reach MANY more like-minded people who don't know much about the PMC/Journey Clinic who would not be likely to attend our in-person banquet. Our **VIRTUAL** program will give many NEW people information about our outreach and our services so they can refer patients to us.

We're especially really looking forward to hearing our speaker, **Rebekah Hagan**, share about her unexpected pregnancy and how she had a second chance to make a different choice for her unborn child.

All guests may register online now, (or call us to be registered), and guests will be emailed a link to the YouTube presentation to watch with us on Saturday, October 3rd. Guests can join us **from anywhere in the country**, so here's a chance to help your family & friends learn more about the ministry you lift up in prayer!

**As always, the program is free to all guests and an opportunity will be extended at the end of the program to donate to the PMC efforts.**

Would you like to invite guests to watch the Virtual Banquet? Call Tammy at 801-458-9293. We are eager to enlist help from some churches where we don't yet have a host.

Please give me a call with questions or suggestions at 801-458-9293. *Tammy Leake*

**Praises:**

- For our nurses: Melinda, Lisa, Anna, Marilyn, Gabriele, and our new trainee Sarah.
- For two new & exciting community partnerships that will help support us and help spread the word about the PMC.
- For God arranging so many special aspects of the upcoming VIRTUAL Banquet.

**Prayers:**

- For God to “stretch our time” to accomplish all we have left to do.
- For parents, teachers, and students as they navigate “returning to school”.
- For God to make the way for our nurses’ ultrasound training to move forward.

**Would you rather not receive Rays of Hope by mail?**

We can send this by text or e-mail instead OR we are glad to stop sending it.
