## Praises and Prayers – March 2021

**The PMC**  
(Pregnancy Medical Clinic) is a life-affirming outreach to women in unexpected or unexpectedly difficult pregnancies.

Through the PMC's patient location, **Journey Clinic**, we provide early pregnancy services for women including:

- Pregnancy testing
- Options education
- Nurse consultations
- On-site Limited OB Ultrasound
- Referrals for prenatal care and other practical assistance

(We don't refer for or suggest abortion)

**ALL OF OUR SERVICES ARE FREE TO PATIENTS**

*"For I know the plans I have for you"—this is the Lord's declaration— "plans for your welfare, not for disaster, to give you a future and a hope. You will call to Me and come and pray to Me, and I will listen to you. You will seek Me and find Me when you search for Me with all your heart.*  
Jeremiah 29:11-12 HCB

**We have some exciting news!** After 3 1/2 years of renting our building, God is guiding us to take a step of faith and invest in purchasing the building. He has sent us generous provision and we are currently moving forward to make an offer on our Roy building. Purchasing our building will cost us only a few hundred dollars per month more than our rent and enable us to pay it off in 7 years or less.

With a long-term home for the PMC outreach, we can permanently make use of this convenient location and suitable medical clinic to reach out to women who haven't ruled out abortion as the "solution" in their unanticipated or unexpectedly difficult pregnancy.

Eventually owning our building will enable us to reach the point where all funds received can be used for direct ministry purposes and to provide services for more women in need.

**Please pray with us as we begin this new journey in God's plans for His PMC ministry.**

### **Praises:**

- For the opportunity to serve several women lately who have had particularly difficult pregnancy situations
- For more opportunities that God is providing to reach out to our communities and community agencies
- For one of our RNs, Sarah. She has made a great difference working at Journey Clinic and we'll miss her as she moves to Montana at the end of the month

### **Prayers:**

- For continued health and protection of our patients & their unborn children
- For good health for our volunteers, employees and their families
- For God's guidance and wisdom as we work on purchasing our building
- For additional medical volunteers who are RNs, RDMSs, PAs, NPs or other mid-level providers
