

The PMC

(Pregnancy Medical Clinic) is a life-affirming outreach to women in unexpected or unexpectedly difficult pregnancies.

Through the PMC's patient location, **Journey Clinic**, we provide early pregnancy services for women including:

- Pregnancy testing
- Options education
- Nurse consultations
- On-site Limited OB Ultrasound
- Referrals for prenatal care and other practical assistance

(We don't refer for or suggest abortion)

ALL OF OUR SERVICES ARE FREE TO PATIENTS

God's Oasis of Hope

The Lord is there to rescue all who are discouraged and haven't given up hope.

Psalm 34:18 CEV

When women and their partners come into the PMC's Journey Clinic, God provides them with a quiet oasis from the fear of their despairing situations.

As patients take a deep breath and talk through their situation with us, God enables them to discover His HOPE for their life and the life of their child.

Your prayers help create that "Oasis of Hope" at the PMC's Journey Clinic. Thank you from each of our patients and their unborn children.

*Still Joyfully Serving Him,
Gwen, Allison, Nicole, Melinda, Katie & Tammy*

Praises:

- For two new RNs, Allison and Danielle, who are training to serve as Clinic Nurses for patients
- For Randy and his team of renovation volunteers who are busy turning the former X-Ray room into an office
- For our team of volunteers who are calling to encourage people to help us invite guests for the Banquet for Life coming up October 2nd

Prayers:

- For God to send us more volunteers to serve patients:
 - For additional medical volunteers who are RNs, RDMSs, PAs, NPs or other mid-level providers
 - For receptionists and patient advocates
- For our Banquet for Life (BFL) production team that began 6/1 on BFL videos about "Cultivating Hope". (Stay tuned for some cool previews!)
- For maintenance and refurbishing volunteers to get started on a couple of crucial projects to improve patient and admin workspace
