### What is the PCC?

The Pregnancy Care Center is a faith based organization that assists women who have found themselves women in unexpected pregnancies.

We provide women with complete, accurate information that may help them discover a positive alternative to abortion.

In addition, we host support groups for women who have experienced a past abortion.

- All of our services are **FREE**, so **YOUR** support for the PCC through the Walk For LIFE will touch the lives of hundreds of women and their unborn children. **THANK YOU!**

We provide:

- Free pregnancy tests and options counseling. (245 in 2011)
- Parenting support groups for moms and dads to learn to be great parents and to receive baby clothing and supplies. (55 parents in 2011)
- Post-abortion support groups for women to help them discover healing, wholeness and freedom .

Walk for LIFE 2012 was a ground breaking year. "Let **There Be LIFE**" was our biggest walk ever, with **157 sponsored walkers**. (Our previous high was 132 sponsored walkers).

For the first time ever we had **2 different walk locations** to make it even more convenient for people to support life.

At the Weber County location, **George Whalen Park in Roy**, 16 four legged friends joined us as we walked, or pushed wheelchairs and strollers.

The baby ducks were a highlight at the Davis location **Layton Commons Park** where families made their way around the paved path and over a small stream.

There were special "babies" at the Layton Commons walk site!

## Our Own "Mini Walk for LIFE"

A great feature of the PCC Walk for LIFE is that **walkers can walk anywhere on any day** and then turn in their sponsor forms at one of the walk locations or at the PCC office. Several walked on a more convenient day or location.

Our special thanks to the Emmanuel COGIC women, Clearfield Job Corp and the "Mpact Girls" from Genesis Project.

Debbie Widmark posted this on her personal Walk for LIFE Fundraising Webpage...

*"Tonight, instead of holding our regular Wednesday evening Mpact Girls Club Classes, we all walked together for the PCC. The girls got hot, sweaty and tired, but we enjoyed the time together, doing something different and for a great cause."*

## Small but Spunky!

One of our youngest Walkers, Chloe, raised \$300 to "help the babies".

On Walk day Chloe was sporting a very special t-shirt made by her Mom.

The front listed all 17 of her sponsors. The back of her shirt said, "I'm walking to save unborn babies' lives."

## Honoring Our Moms by Helping Moms-to-Be

**Aron Harms  
shared this  
touching story of  
why he was  
"Walking for  
LIFE"....**

"Last year on May 22nd my mother-in-law was killed in a horrible automobile accident. My wife's mother was Susan Musgrove. (She was a PCC volunteer).

The other day my poor wife said,

"Mother's Day is coming...oh yeah, I don't have a mother." Something died inside of me. In one event my wife lost her mother, her best friend, her biggest supporter and one of her most grounding and solid people in her entire life.

Personally I've never taken a stand on any political or spiritual moral ground. Of course I have morals and beliefs, but I never held a sign, raised awareness, raised funds...or took any action for something I had a passion for.

So I decided to register as a walker and try to raise donations as a surprise for my wife for Mother's Day. I want the world to remember Susan Musgrove and how she cared about the work of the PCC. If Susan were still here she would have raised 100X what I can!

So thank you for the opportunity to help save a life at the PCC. Thanks for helping people through rough times and for helping them know **that there are people who care.**"
