### Pregnancy Care Center Mission Statement

The Pregnancy Care Center is a Christian Ministry committed, through education and counseling to helping our young adults to build healthy relationships, and to meeting the spiritual, physical and emotional needs of those in our community touched by or facing an abortion.

#### Blessings Update

God has grown our staff of Client Advocates to 4 with 1 more in training. To reach even more women in unexpected pregnancies we've set our goal to have 7 Client Advocates by mid-year. In addition, we need volunteer receptionists who could cover 3-4 more shifts during the week, Walk prayer partners, and ambassadors in several more churches. If you're interested in using the unique gifts and talents that God has given you, please give us a call at 801-612-9293 to talk with April or Tammy about possibilities.

*In their desperation this young couple believed that abortion was their only answer, yet they called the PCC and came in for an appointment. They ended up spending a very long time exploring their options with their client advocate. After the couple left, we learned that they had decided to keep their baby. Their advocate April summed up the conversation by saying, "Never before have I seen God work in such an amazing way!" We're praising God for His HOPE that this young couple found here at the PCC.*

You can help make a real difference in the lives of women in unexpected pregnancies! When you join us to walk "Together for Life", you become an integral partner in God's PCC ministry where His power makes turnarounds like this one possible.

God is already working in the hearts of sponsors to give the pledges needed to reach our Walk goal. The \$35,000 goal for this year's Walk will provide the resources for several months' worth of ministry at the PCC. Won't you give just a few hours to help women find HOPE in their difficult situation? Together we will go out boldly and gather in the provision God has already arranged for His work. It's easy, just visit: [www.ogdenpcc.org](http://www.ogdenpcc.org) and click on the Walk for LIFE banner.
