Rays of Hope

February 2013

Thank you for being a Prayer Partner!

We thank you from the bottom of our hearts. Because of your caring hearts and your faithful prayers, women in need are reached with God's Love!

As you pray,
God's power flows through His ministry work here at the PCC and lives are changed.

Blessings:

- For the opportunity to be used by God to help women recover from the pain of a past abortion. For April, Karen & Chantai who are starting a new Post Abortion support group in February. For the women who will be powerfully healed and made whole again in that Bible Study group.
- For Talia & Sarah who have served faithfully as Parenting Class instructors. One the clients this week was sad to see the class end & said, "I wish it could just go on forever."

See you there!

- For God to send us more women to serve who are considering abortion.

Please Pray:

- For protection for the women in the PACE Bible Study for their 10 week journey to healing, freedom & wholeness.
- For women to train as Receptionists, Client Advocates and Parenting Program Advocates so we can serve more women in need. We are having to turn away clients who need pregnancy tests and who want to be in the parenting groups.
- For volunteers and preparations that are beginning for the Walk for Life, Saturday May 11th in Layton and Roy.
