Rays of Hope
February 2014

*January was a VERY BUSY month
at the Pregnancy Care Center
(PCC).*

*By the end of January we had already
seen as many women who were
considering abortion as we did during
the first five months of 2013.*

picture of their baby. Of those who
saw their baby's picture, only ONE has
continued to pursue abortion.*

reminded that the PCC exists to help
women discover positive alternatives to
abortion.

Please Pray:

- ✦ **For God to send us 5-6 women to work as receptionists** so all our Client Advocates have a partner to help them during their shift. (Times are available on Monday, Tuesday, Wednesday and Thursday. Some are daytime, & some early evening).
- ✦ For wisdom and protection for the new PCC client website launch and for the new website to send us even more women who think abortion is their "only choice."
