Rays of Hope
January 2014

Our First Client of the Year!

The first full week of the year is always a busy one at the Pregnancy Care Center (PCC) with volunteers returning after vacation and getting back into the "groove".

The very first appointment of 2014 was with a couple who were overwhelmed with the thought of being pregnant in their current financial situation. Our Client Advocate shared her own unexpected pregnancy story, and encouraged them to trust that things could be OK.

Early this week, the Client Advocate received a call back from those clients. We were all rejoicing when we heard the news that they have decided against abortion and will be returning to the PCC for additional referrals, resources, and material assistance.

Please keep us in your prayers, YOUR PRAYERS ARE MAKING A DIFFERENCE IN THE LIVES OF FAMILIES!

Please Pray:

- ✦ **For God to send us 5-6 women to work as receptionists** so all our Client Advocates have a partner to help them during their shift.
- ✦ **For God to give us wisdom in how to effectively reach women who believe abortion is their best option** during the PCC's new 2014 Marketing campaign.
