## Thanks for Your Help!

Pregnancy Care Center  
2909 Washington  
Blvd. #105  
Ogden, UT 84401  
801-612-9293

### What is the PCC?

The Pregnancy Care Center is a faith based organization that assists women who have found themselves in unexpected pregnancies.

We provide women with complete, accurate information that may help them discover a positive alternative to abortion.

In addition, we host support groups for women who have experienced a past abortion.

- All of our services are **FREE**, so **YOUR** support for the PCC through the Walk for LIFE will touch the lives of hundreds of women and their unborn children. **THANK YOU!**

We provide:

- Free pregnancy tests and options counseling. (284 in 2012)
- Parenting support groups for moms and dads to learn to be great parents and to receive baby clothing and supplies. (113 parents in 2012)
- Post-abortion support groups for women to help them discover healing, wholeness and freedom.

Our 26th Walk for LIFE, **"Together for LIFE"** was our most successful yet, with **125 sponsored walkers and \$31,214 raised (so far).**

Again this year we had **both a Davis and a Weber walk location** to make it even more convenient for people to support life.

At the **George Whalen Park** in

**Roy** walkers pushed wheelchairs and strollers.

The wildlife was a highlight at the Davis location **Layton Commons Park** where families made their way around the paved path and over a small stream.

(See more pictures at [www.facebook.com/pregnancycenterofogden](http://www.facebook.com/pregnancycenterofogden))

Over 20 Canines joined us at the Roy location!

## Many Walkers Did a "virtual" Walk for LIFE

One family walked for LIFE on the Great Wall in China

A great feature of the PCC Walk for LIFE is that **walkers can walk anywhere on any day** and then turn in their sponsor forms at one of the walk locations or at the PCC office. Several people walked on a more convenient day or location.

One family was going to be in China and walked on the Great Wall. Another family was on vacation and walked in West

Yellowstone. Other walkers joined the efforts from Las Vegas, California, Moab and several other places in Utah.

**TOTAL RAISED  
SO FAR: \$31,214**

You can still give-
