Hope At the Center

About 6 weeks ago we sent out a prayer request through our Rays of Hope email thread asking for prayer for a young couple. When the couple came to the PCC they were very downhearted and were feeling abortion was their only option. After talking with one of our Client Advocates for almost three hours, they were pleased with the information they received but still undecided in their decision. Kelly, one of our Client Advocates, spoke with them recently and found out they have decided to carry their baby to term and shared the news of their latest ultrasound showing that they are having a girl! It is very exciting to see how God works here at the PCC. Thank you for your prayers and financial support.

Blessings:

- For the women who were prayerfully healed and made whole again in our Post Abortion Bible Study group the just ended. A special thank you to Karen, April, and Chantai for investing themselves in leading the group. We're praising God for the amazing things He does in that study.
- For our newest staff member Stephanie McIlvain our Events Coordinator. Stephanie

started in mid March and did a great job on the Walk for Life.

- For a very successful Walk for Life last month. Between the Layton and Roy locations, we had 118 sponsored walkers, 828 pledges, and raised a total of \$31, 651.00. It was a great morning filled with sunshine, fellowship, and purpose. This was our most successful walk ever with pledges raised over 7% from last year. Thank you walkers, volunteers, and sponsors for joining the cause!

Please Pray:

- ✝ For the opportunity to see even more women who are considering abortion and for wisdom about our online advertising to reach them.
- ✝ For our newest Client Advocates in training: Rachel, Darlene, Martha and prepare to reach out to women with God's Love & Truth.
- ✝ For Stephanie as she works with her team and begins recruiting Table Hosts for our Banquet for Life, Saturday, October 5, 2013.
