Rays At the Center

Your faithful prayers are making a difference.

In the middle of August we had a young girl come in who was desperately seeking any and all information that would help her through her crisis pregnancy. She spoke at length with April who was able to give her many resources and a listening ear. As April finished sharing information and resources with her the client asked for one last thing: a hug.

So many of our clients come in just seeking information and resources. But God provides them with so much more! Thanks for your prayers and support that help us give them the emotional support of a "warm embrace".

Blessings:

- For the opportunity to see increasing numbers of clients with everyone back to school and college.
- For our dedicated staff and volunteers

As the darkness increases around us, you can still make a significant difference for God. Might God be calling you to help women in unintended pregnancies?

Visit www.ogdenpcc.org for information on how to volunteer.

See you there!

who

have gone above and beyond the call in their service to Him in the last months.

Please Pray:

- ✦ For Stephanie & the Banquet for LIFE team as they work hard under God's guidance to finish preparations for our October 5th "Together for Life" Banquet. Please pray for their endurance and protection.
- ✦ For our Banquet speaker, Heather Ruesch, as she brings us the convicting message, "Is There Not A Cause For Which We'll Fight?".
- ✦ For "Crossroads", our Post Abortion Recovery program. The next group is set to begin in a couple of weeks and we still have room for women to join us. Please pray for women who need God's healing to respond to His call to participate.
