Holding Baby Jesus...

I've heard that when Mother Teresa was questioned about her endless kindness to the poor, she explained that she saw the face of Jesus in every person she served.

At the PCC, we endeavor to treat everyone we serve as an honored guest. We also strive to be keenly aware that each client is a beloved child of God.

On this particular afternoon, I (Tammy) was serving as the receptionist. A couple came in with their little boy. They spoke no English and I speak very little Spanish, but I struggled through checking them in for their appointment, apologizing as I went.

They put their little boy down on the floor with the toys. He had a quite serious expression on his face but when I waved to him, he smiled. I walked around the desk, said "Hola!" and tickled his bare foot. He broke into a big smile and giggled. When he laughed, his Dad talked to him & called him by name - Jesus.

When I sat down, Jesus & I played peek-a-boo for a while. Then he looked at me, smiled, and held his hands up towards me asking to be held. I picked him up, "hugged on him a bit" and kissed

his chubby neck.

Suddenly, wonderfully, it dawned on me - today God had given me the precious privilege of imagining what it might have been like to hold His son, another baby Jesus!

*In this busy holiday season, we pray that you will have times when you slow down and allow God to bless you with the **True Wonders of Christmas!***

Please Pray:

- ✝ *For Rachel, our newest client advocate as she ministers to women in crisis.*
- ✝ *For God to bring forward 6 new volunteers to serve as receptionists for our counseling shifts.*

**As the darkness increases around us, you can still make a significant difference for God.
Might God be calling you to help women in unintended pregnancies?**

Visit www.ogdenpcc.org for information on how to volunteer.

See you there!
