## Join us as we Celebrate Life

*Every human being is made in the image of God, which means each person possesses inherent dignity and immeasurable worth.*

Please pray for us these next two weeks as we focus again on **"Celebrating Life"** with our local Christian community. Our celebration will emphasize the Bible's words about the Sanctity of Life using a variety of verses including Genesis 1:27.

Our goal is to encourage us all to remember to value **all** life, just as God does. We've invited our area churches to join with us in celebrating during the week of January 19th—26th, 2020.

Many churches will be using PMC supplied materials including handouts and a video. The video we've created encourages everyone to take God's image of Hope, Justice, Mercy, and Peace into our hurting world.

You'll find listed on the back page some ways that you can help us share this life-affirming message with others.

### Praises:

- For a strong financial finish to 2019 that will give us the additional resources needed as we begin several additional projects in 2020.
- For several days of holiday rest and refreshment for the PMC board, volunteers, and employees.
- For several volunteers and a local company who assisted us with getting additional outside lighting to improve the nighttime security at the PMC/Journey Clinic building.

### Prayers:

- For God to send 3-4 more nurse to volunteer VERY SOON who can help better meet our increasing patient load. Our Clinic Nurses, (who can be LPNs, RNs, etc.) work 3-4 hours 1X per week. Adding these Clinic Nurses is critical before we can go on to additional medical services we would like to offer.
- For God's wisdom as we consider the option of "renting-to-own" our building. Several of you have asked about this and we will be able to stay in this building regardless of whether we are able to "rent-to-own" it now or not.
- For our **new Board Member, Kevin**, as he trains and is oriented to his PMC responsibilities.
