

Rays of Hope

The PMC

(Pregnancy Medical Clinic) is a life-affirming outreach to women in unexpected or unexpectedly difficult pregnancies.

Through the PMC's patient location, **Journey Clinic**, we provide early pregnancy services for women including:

- Pregnancy testing
- Options education
- Nurse consultations
- On-site Limited OB Ultrasound
- Referrals for prenatal care and other practical assistance

(We don't refer for or suggest abortion)

**ALL OF OUR
SERVICES ARE
FREE
TO PATIENTS**

Only God Could Do That!

There's a sign on my office wall that asks:

**What is happening in your life
that can be explained ONLY in terms of God's intervention?**

John Piper

Often, **if we're not rushing through life**, we look around and suddenly recognize the ways God has orchestrated the happenings surrounding us for His purposes.

For us at the PMC, sometimes it's the ways that **God brings our patients to the PMC's Journey Clinic** to experience His love and kindly spoken truth in their desperate times.

Other times, it's the way that **God matches a specific patient with an advocate or nurse** who has a very similar personal story to that patient's story.

Lately, for me, it's been the way that **God has given some provision to start purchasing** our building so we can have a permanent home for the ministry. What a blessing it is for God to provide His resources many additional givers who will contribute specifically towards the building purchase costs and through nearly 300 givers who give to sustain the ministry's current monthly costs !

And finally, **at Easter, our minds go to the empty tomb** that can certainly only be explained by God's intervention! Join us in praising Him for His mighty intervention to provide the gift of our Salvation!

*Still Joyfully Serving Him,
Gwen, Allison, Nicole, Melinda, Katie & Tammy*

Praises:

- For nearly 60 churches who are inviting people to join in Steps for Life coming May 15th
- For opportunities that God gives each of us to share His Good News
- For the special people God sends to be partners in this ministry, including YOU!

Prayers:

- For additional medical volunteers who are RNs, RDMSs, PAs, NPs or other mid-level providers
- For God's guidance & wisdom as we work to begin purchasing our building
- For Katie M., one of our long time volunteers who has started as a part-time employee to help with accounting and administration
