Kindness—Pass it On!

God shows undeserved kindness to everyone...

1 Peter 5:10 CEV

The PMC's theme for this year is "Cultivate Hope".
One thing that "Cultivates Hope" is giving the **Gift of Kindness**

In our household a way we often show someone we're thinking of them is by baking them something yummy. My neighbor has cancer, so I delivered a plate of warm chocolate chip cookies to her. I wanted to remind her that we care and to remind her we're praying for her.

When a patient comes into the PMC's Journey Clinic we give them kindness by showing them gentleness and respect, by providing them a listening ear, and by helping them to discover positive options that might fit their unexpected pregnancy situation.

Our goal is to remind her that we care, and that we're there to walk beside her on her journey. Sometimes God's gift of kindness, poured out through us, will draw her closer to knowing God personally.

Thank you for your prayers that show His kindness to our patients who are often without hope!

*Still Joyfully Serving Him,
Gwen, Allison, Nicole, Melinda, Katie & Tammy*
