Prayers and Praises—January 2022

The PMC

(Pregnancy Medical Clinic) is a life-affirming outreach to women in unexpected or unexpectedly difficult pregnancies.

Through the PMC's patient location, **Journey Clinic**, we provide early pregnancy services for women including:

- Pregnancy testing
- Options education
- Nurse consultations
- On-site Limited OB Ultrasound
- Referrals for prenatal care and other practical assistance

(We don't refer for or suggest abortion)

**ALL OF OUR
SERVICES ARE
FREE
TO PATIENTS**

As we make a new beginning at the start of this new year, we're eager to lean into the plans that God has in store for the PMC in 2022. Perhaps I'm not the only one who is still standing at the doorway of the year, waiting to hear the direction of His Plans. With everything going on around us, I've found myself remembering more often to "just wait" on Him, even when His timing is far different than I would like.

We're beginning the year short 1 1/2 staff members and also very short of nurses to meet with our patients. Yet, we will continue to praise Him in advance for the provision; we rest assured that He will provide for His PMC ministry.

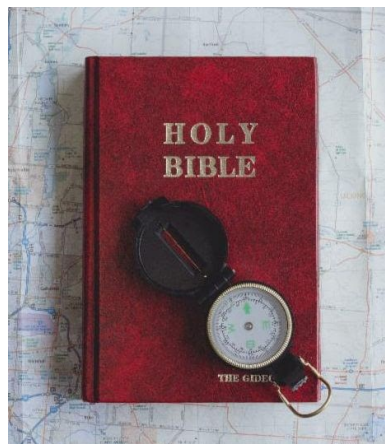

***Let go of your concerns! Then you will know that I am Elohim.
I rule the nations. I rule the earth.*** Psalm 46:10 (NOG Translation)

***Still Joyfully Serving Him,
Gwen, Allison, Nicole, Katie & Tammy***

Praises:

- For 3 new nurses who are in the process of their 4-6 week training and will be serving our patients sometime next month
- For continuing, generous gifts that will be meeting a substantial portion of the funds for the coming year's ministry and that are bringing us close to being able to pay off our building loan (see our Fund Report at [www.PregnancyMedicalClinic.org/Annual Report](http://www.PregnancyMedicalClinic.org/AnnualReport) .

Prayers:

- For the PMC as we adapt to the challenge of keeping our services pertinent to women who are considering abortion
- Pray for the 62 area churches who will be talking about LIFE during the PMC's Celebrate Life Celebration from January 16-23
- **PLEASE PRAY FOR GOD TO SEND ADDITIONAL VOLUNTEERS AND EMPLOYEES TO SERVE PATIENTS AT THE PMC**

**How may we pray for YOU?

Because we have lost our ultrasound nurse, we are only able to refer our patients to Salt Lake, Park City, or Brigham City to get a free Ultrasound. Many women are calling interested in having an ultrasound, but aren't interested in coming for an appointment without that service available.

Please pray:

- For God to provide us a nurse who is already familiar with doing ultrasound exams or is qualified to be trained to do them (Training provided)
- For and MD or DO to read our ultrasound exams for us (training provided)
- For additional medical volunteers who are RNs, RDMSs, PA's, NPs, or other mid-level providers to help us have a full staff again soon
